VANDAL-COMM[®] Terms and Conditions of Sale

ACCEPTANCE OF ORDERS

All orders are subject to acceptance by our sales and credit departments. VANDAL-COMM[®] will not be responsible for any errors caused by verbal orders. Claims for errors can only be made on written orders.

TERMS

Net cash unless otherwise specified. A service charge of 1.5% per month (18% yearly) will be charged on any invoices over 30 days old. All deliveries of equipment and processing of orders presently in house will be withheld from any customer having any invoices 45 days old, or older, until credit is re-established.

Any purchase order pursuant to the accompanying quotations will not become a binding contract until it is accepted and acknowledged by seller at seller's office.

FREIGHT

F.O.B. shipping point, packing included – unless otherwise arranged. Unless otherwise specified, at our option we will ship common carrier collect. Shipping, handling and tax are additional unless otherwise expressly indicated at the time of sale. Title to products passes from VANDAL-COMM[®] to the customer upon shipment to the customer. Claims should be made to the transportation company. Shipment should be inspected for damage upon arrival and damage should be noted on packing slip by freight or express agent to press claim. Claims of short shipment must be made within seven (7) days of receipt of equipment. Failure to do so deprives us of the ability to substantiate accuracy of shipment and therefore nullifies any claim against us.

DROP SHIPMENTS

VANDAL-COMM[®] does not require an additional charge for drop ship of products.

MINIMUM ORDER

VANDAL-COMM[®] does not have a minimum order.

PRICING

The prices quoted on the lists attached are not intended as an offer to sell at such price, but merely as a preliminary indication of the price at which such goods are selling or will sell. All prices are subject to change without notice! Prices will be determined at time of shipment unless there is a signed contract or quotation to the contrary. Errors or omissions in billing are subject to correction.

The illustrations do not necessarily show standard colors, materials and equipment.

VANDAL-COMM[®] reserves the right to make changes at any time without notice, in price, colors, materials, equipment specifications, models; and to limit sales of raw good kits. This right may be exercised without incurring raw good kits. This might be exercised without incurring any responsibility with regard to products previously sold.

Any tax imposed by Federal, State or other governmental authority on the sale of the merchandise and service referred to in a quotation shall be paid by buyer in addition to the quoted purchase price.

New product announcements will be sent to you at regular intervals. Please help us by informing us of any change in your email or mailing addresses. All products contained in this list are described in greater detail in our engineering specification sheets. These sheets are available to you upon request at no charge.

DELIVERY

Dates of delivery are determined from the date of seller's acceptance to any order or orders by buyer; and are estimates of approximate dates of delivery, not a guarantee of a particular day of delivery. Sellers shall not be liable for failure or delay in shipping goods hereunder if such failure or delay is due to an act of God, war, labor difficulties, accident, inability to obtain containers or raw materials, or any other causes of any kind beyond the control of seller.

ORDER CANCELLATION

Bona fide orders accepted by us cannot be canceled without written consent. If granted, the buyer must absorb any expenses incurred by VANDAL-COMM[®]. Custom products and certain small-volume products will require completion of a "No Cancellation – No Return" form prior to order acceptance. Orders for apartment house lobby panels, special order merchandise, customized, modified, or altered equipment may not be canceled once manufacture begins.

BACK ORDER POLICY

Unless we are instructed to ship an order complete, we may partial ship and back-order the balance of the order.

PRODUCT LIFE

VANDAL-COMM[®] makes no official statement in regards to the longevity of any of its products. VANDAL-COMM[®] products are produced in accordance with market trends and firm customer purchase orders. Generally speaking, our products do not carry a specific production life cycle, and are produced in accordance within the aforementioned criteria.
